Get Content on Any Device in Any Location
Here are some ways you can enjoy content with residents and staff!

Host a throwback dance!
Play music from Streaming Jukebox music stations.

Select: Listen > Jukebox

Relax with residents.
Help residents and staff relax, with group or individual breathing and meditation sessions.

Select: Relax > Breathe to Relax

Worship and sing!
Help build community by leading morning worship and singing.

Select: Worship > Assorted Worship Music Playlist

Travel virtually!
Transport residents to far-off lands…virtually! Cook cultural foods, listen to cultural music, and play some travel trivia.

Select: Travel >Travel Trivia, Travel Slideshow, or Virtual Vacation

Host a TV Critic Club.
Select a Saltbox movie, TV show, or documentary for residents to watch using any mobile device of their choosing, or hold a group viewing, and then host a discussion where residents can share their opinions on it!

### Start some friendly competition!
Keep a game scoreboard in your common area and post high scores and winners! For example, post the Bubble Popper high score and start a friendly competition! Residents can participate from the comfort of their own rooms!

Select: Play

Make fitness fun.
Film a fun chair dance choreography, add costumes, and share with families and friends!
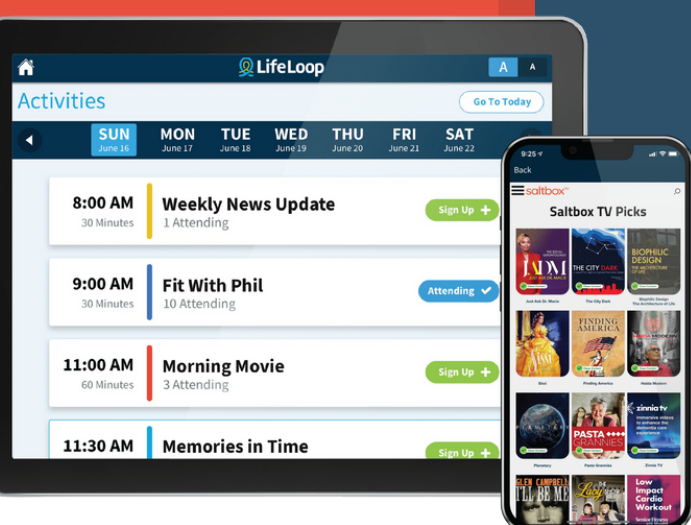

Select: Exercise > Chair Dancing Videos

Sip and Paint!
Create mocktails, throw on some tunes, and follow a Let's Make Art Video. Then turn resident art into an art show!

Select: Learn > Let's Make Art Videos

Support staff education!
Host a Teepa Snow discussion with staff to support their education.

Select: For Staff > Teepa Snow Dementia Assistance Videos

Whether using our content independently or in a group, creating person-centered engagement for residents just got easier. The possibilities are endless when you have engagement without hardware, connection without limits!

Together, we can do more.
